## Fiscal Analysis

### ASSUMPTIONS:

1. Any additional workload this may place on local governments would be recovered through the convenience fee. For this reason the "Significant Local Gov. Impact" box above is not checked.
2. There is no impact to the Department of Administration, Local Government Services Bureau.

### EFFECT ON COUNTY OR OTHER LOCAL REVENUES OR EXPENDITURES:

This bill would have a positive impact on counties. Increased revenues would more than offset the increased expenditures in efforts to collect the fee.
